

**SECOND JEFFERSON GREEN HOMEOWNERS ASSN.
NEWSLETTER
January, 2021**

The next two Board Meetings will be held on Monday, January 11, 2021 and Monday, February 8, 2021. Board meetings are scheduled to begin at 6:30 p.m. through a virtual Zoom Meeting video conference. Homeowners are always welcome to attend the Board meeting. Reminder – anyone wishing to attend the Board meetings just needs to contact Debbi King, Property Manager, who will then forward video meeting instructions before the day.

HOA Fees

Just a reminder that the 2021 monthly HOA Assessment Fee is now **\$310/mo.** due on the 1st of each month. The fee is considered late after the 11th of the month and subject to late fees of \$30 plus 18% Interest per annum. Any homeowner that does not currently pay electronically and wishes to have coupons to make payments with, please contact Debbi @ IPM and she will send out a sheet of payment coupons to you.

Ice Melt

In September 2020, in response to Homeowner request the Board had a Home Depot Bucket with Ice Melt delivered to each building garage just inside the Garage Man Door for all four- unit Homeowners/ Residents to use as needed and were recently refilled. If more ice melt is needed throughout the winter months, please contact Debbi @ IPM and arrangements will be made for more.

Pet Waste Clean Up

It seems that every month the Board receives more reports of large areas covered in piles of dog waste due to negligent pet owners. As a reminder, **it is every pet owner's responsibility to clean up after their pets immediately.** The Association provides bags for pet waste. If you see someone abusing this policy, please make them aware, or if possible, take a picture and report it to the Management company.

City of Lakewood, CO Leash Law

Municipal law requires all domestic animals, except cats, be effectively controlled. **Dogs must be leashed with a leash**, chain or cord of reasonable length, and the leash must be held by a responsible person. A dog holding its own leash, or a leash attached to the dog dragging on the ground, is a violation of the leash law. The leash law is enforced in common areas of multi-family dwellings such as apartments and condominiums (including hallways, stairwells and common outdoor areas). Pets cannot be tethered somewhere that allows them access to common areas.

Sewer Drain Lines and Garage Door Issues - REMINDER

It is imperative Homeowners/ Residents contact IPM regarding Sewer Drain Line and/or Garage Door issues to ensure your problem is better accessed to determine whether it is a Homeowner or an HOA expense. Some issues may actually be a shared expense and the Association's contractors can repair for less and are able to respond quicker in emergency situations. Homeowners may NOT contract service on behalf of the HOA without the Association's authorization.

Parking

As a reminder, if you receive a Parking Violation 72-hour Warning and repeat the same violation within a one-year period you WILL receive a boot. All warnings are documented and photographed and saved in the enforcement company's software system. Please follow all the parking rules to avoid warning and/or boot. Please be reminded, vehicles with parking permits are NOT allowed to park in designated Visitor parking spaces. If there are any questions about the parking rules or if a warning is issued, please contact Debbi immediately, even if it is over the weekend, so that the ball will start rolling to rectify the problem.

Condo HO6 Insurance -

Condo insurance, also known as an HO6 insurance policy, provides condo unit owners coverage for their properties, protects against liability claims and helps cover costs if the unit is uninhabitable. Loss assessment insurance, also called special assessment coverage, is an optional coverage that you can add to a condo insurance policy. It covers situations in which the unit owners in a condominium are financially responsible for a shared loss, so long as the issue was a covered peril. For example, special assessment condo insurance might cover cost of damages from a Wind/ Hail storm to the roofs if it exceeds the money your association has available for repairs assuming your policy coverage is at least **\$10,000** or more. IPM Residential Contact Information

Debbi's email information is: debbik@ipmresidentialpm.com. She can be reached at 720-526-3330, ext. 8. **24/7 Emergency Maintenance** such as: Inoperable Garage Door (not related to Garage Door opener), sewage back up in parking lot or blockage located at HOA main, broken Sprinkler Heads but not limited to other safety hazard issues or concerns. mikek@ipmresidentialpm.com or call 720-526-3330, ext. 2.

IPM Residential Website:

REMINDER: All homeowners have access to Second Jefferson Green governing documents, Monthly Financials and Meeting Minutes, Annual Budget, Newsletters, general Certificate of Insurance and the HOA Design Review Application.

To access this information, go to: <http://ipmresidentialpm.com/second-jefferson-green-documents/>, password: secondjefferson (all one word and lower case).

For individual Homeowner Certificate of Insurance, contact:

Synergy Insurance Advisors at 1-888-237-2920. Homeowners, please provide your Mortgage Lender with this information.

Sewer and Drain Lines:

REMINDER: Homeowners are responsible for sewer and drain lines serving their dwelling units from the point they connect to the Association's common lines. The Association highly recommends the sewer and drain lines are cleaned and scoped at minimum annually. In the event you have sewer back up into the unit or scoping detects a problem in the lines, **please contact IPM immediately to assist you to avoid incurring unnecessary expenses.** Property management will work with you to make sure that you understand what area the Association may be responsible for vs. what areas you would be responsible for as far as costs.

Newsletter and/or Bulletin Board

Please contact IPM if you have items for the newsletter or bulletin board. Also, SJG has gone as green as possible with the newsletter. If there is an email address on file for homeowners, they will receive the newsletter by email. If there is not one on file it will be mailed to those offsite or delivered to tenants and homeowners residing on the property. If a homeowner wishes to receive the newsletter electronically that is not currently, please send your email address to Debbi at IPM; the email address is: debbik@ipmresidentialpm.com.

Rules and Regulations

All residents/owners should have a copy of the SJG Rules & Regulations. Homeowners are responsible to make sure their tenants have a copy and can contact IPM for one.

Resident Tips

Be considerate of your neighbors. **Do not let vehicles idle in the garages or while backed up to the garages, as exhaust fumes will penetrate the penthouse units.**

Please be cautious about leaving the overhead garage doors open during the colder months of winter. The garage doors should not be left open more than a few minutes as the water lines of the penthouse units located over the garage run through the garage and the risk of the lines freezing is higher when the garage doors are left open. Homeowners found negligent if the water lines freeze are responsible for all repairs.

Remember to unhook hoses from the hose bibs outside to prevent the water lines from freezing during the winter months.

Dog Walking

I'm a teenager who loves walking dogs and I'm looking for more clients. I have experience with all kinds of dogs and references. I charge \$10 per hour. If interested, please email me at bellabanana1235@gmail.com
